

CLARKE®

Help Avoid Costly Repairs

With New Engine
Purchases,
Ask for a Clarke

**3 YEAR
WARRANTY**

Buy with confidence when you buy from Clarke. As stated in Clarke's Terms and Conditions, all new engines will be free from defects in material and workmanship during the standard warranty period which begins on the date of commissioning and ends 24 months from that date. For customers who purchase a new engine, an additional year of warranty coverage can be obtained for just the cost of maintaining the diesel engine according to NFPA25.

Clarke's 3 Year Warranty with Kit option, developed according to the specifications of NFPA25, includes three years of Annual Maintenance Kits and one 2nd Year Supplemental Kit.
